LEAVES OF THE TREES

(to the tune of *Wheels on the Bus*)

The leaves of the trees turn orange and red,
orange and red, orange and red.
The leaves of the trees turn orange and red,
All through the town.

- 2) The leaves of the trees come tumbling down
- 3)The leaves on the ground go swish, swish, swish,

PUMPKINS ON THE GROUND

(To the Tune of: *Twinkle, Twinkle, Little Star*)

Pumpkin, pumpkin on the ground (crouch down)
How'd you get so big and round?
(stretch arms out wide to sides and then make a circle)
Once you were a seed so small, (pretend to hold a seed)

Now you are a great big ball! (make huge circle with hands)

Pumpkin, pumpkin on the ground (crouch down)
How'd you get so big and round?
(stretch arms out wide to sides and then make a circle)

AUTUMN LEAVES ARE FALLING DOWN

(To the tune of “*London Bridge is Falling Down*”)

Autumn leaves are falling down, falling down, falling down
Autumn leaves are falling down, all over town.

- 2)The cold wind blows them all around.....
- 3) They’re drifting gently to the ground.....
- 4) Take a rake and rake them up.....

THE APPLE TREE

Way up high in the apple tree
(Point up high)
Two red apples smiled at me
(Make fists for apples)
I shook that tree as hard as I could
(Shake the tree)
And down fell the apples,
(Hands fall to the ground)
MMMMMM they were good

LITTLE LEAVES

Little leaves fall gently down,

Red and yellow, orange and brown.
(Raise hands and lower them, fluttering fingers like falling leaves)
Whirling, whirling, round and round, *(repeat motions)*
Quietly without a sound:
Falling softly to the ground. *(lower bodies gradually to floor)*
Down ---and down---and down --- and down!

FALL

The leaves are falling from the trees,
(Flutter fingers up in the air and to ground)
Yellow, brown and red.
They patter softly like the rain;
(Tap fingers on floor)
One landed on my head.
(Tap head)

Here is a tree with leaves so green
(Forearms together, elbows to wrists, hands Spread apart)
Here are the apples that hang between
(Clench fists for apples)
When the wind blows the apples will fall
(Wave arms in the wind and let apples fall)
Here is a basket to gather them all
(Make a basket with both hands, fingers Locked together)

ONCE THERE WAS A PUMPKIN

(make a circle of people on the floor)
Once there was a pumpkin
(bring fingers of hands together)
And it grew,
And grew, *(slowly seperate hands)*

And grew. *(join hands)*

Now it's a jack-o-lantern
And smiles at you *(with a smile point to each other)*

and you,
and you.

FALL LEAVES

Leaves are floating softly down
(Use arms in up and down motion)
They make a carpet on the ground.
(Point down to the ground)
Then, whish, the wind comes whistling by,
(Move arms from one side to the other)
And send them dancing to the sky.
(Let hands flutter up into the air)
